

Project Rachel

Project Rachel is the post-abortion healing ministry of the Catholic Church. It was founded in 1984 in the Archdiocese of Milwaukee by Vicki Thorn. To find your closest Project Rachel office, contact your local diocese and ask if it has one

It is open, however, to anyone who is struggling after an abortion loss. It is able to help women and men; parents, grandparents, siblings, friends and others whose lives have been impacted by an abortion loss
